### 6.2.2 Institutional functioning.

Any vacant post in the institution can be filled on regular basis only when the Joint Director of Higher Education, Nagpur Division sanctions it. The appointment is done adhering to the set rules and regulations. Then alone the State Government releases the salary. Currently more than six posts here are vacant. For want of sanction from the Joint Director, these vacancies have not been filled on regular basis. Clock –hour –basis appointments have been made to carry out the work.
